Mr. Stephen Morgan,

Skeena Crossing, B.C.

Dear Sir:-

We have received your letter asking for passes, but cannot ~~xx~~ send them till we have made arrangements with the Grand Trunk to accept them, as the Conductor on the train might refuse to take them after you had gotten on the train.

We wrote to the Grand Trunk some days ago to arrange the matter, and as soon as we get their reply will send you the passes you want.

Yours truly

Balmoral Cannery
