

It's time to create a vibrant, innovative, and *equitable* media landscape for the 21st century.
This is the place to start.

SEXMONEYMEDIA

WOMEN IN VIEW

SEX MONEY MEDIA

OCTOBER 14-16, 2010 VANCOUVER, BRITISH COLUMBIA

A 3-day international symposium on the art, technology, business and politics of media...and women's place within it.

MEDIA LAB
CFC

Women are seriously under-represented in media industries. Especially at the top.

At a time of unprecedented change and uncertainty, we can't afford to lose the energy, ingenuity, acumen and sensibilities of half our talent pool.

SEX MONEY MEDIA

Cutting-Edge Research. First Hand Experience. International Speakers. Gala Screenings. Panels. Workshops. Debates. Discoveries.

- How does diversity behind the camera translate into diversity on screen?
- What are the links between women as media creators and the female market?
- Can a healthier, safer workplace bring a competitive edge to media production?
