Working with the class

Workshop

Intro to digital publishing, copyright, and CC licenses.

Class votes on a license for the project

The class decides what CC license will be applied to the project as a whole.

Follow up

Responding to specific follow-up questions from students.

Class chooses a cover image

The class also selects a cover image for the publication.

The workshop

Publishing, OJS

Copyright

Creative Commons
licenses

Third-party content

Benefits of in-class publishing projects

- **Open Pedagogy, Information Literacy and Scholarly Publishing**
- **Open access, open education, and open source software**
- **Value** of university and scholarly conversations
- **Global** audience
- **Bridging the gap** between the classroom and broader community

THANK YOU!
