### The Herstory Cafe Book Club

"Maria Mahoi of the Islands" by Jean Barman.

(New Star Books, Vancouver).

**Book Club**

Maria Mahoi represents women of her time and circumstances, who are not usually given much credence in traditional histories. Yet such matriarchs are fundamental to so much of Canada's character." Annalee Greenberg, Editor, The Beaver.

Please read this book by December, the VPL has several copies, and check back for details for where and when the discussion group will be held. **Several Questions for**

**Discussion** will be posted on this website at the end of October.
