

About printing this series of study booklets:

- This set of four booklets were designed to be hole-punched and put into a binder with a plastic display pouch on the front cover. See note for Booklet 4.
- The following page is the the title page for the series. It is to be printed separately and placed in the pouch on the binder.
- Booklets 1 - 3 are stapled booklets, hole-punched.
- Booklet 4, the *Glossary*, is hole-punched only so that other pages can be added.
- The last page is for the spine.
